THE COMING INVASION

An open letter to

Sir:

This is warning! You and the rest of the Communist world, who have defied the God who created you, and have persecuted and murdered millions of Christians and plotted Israel's destruction, BEWARE. The God of the universe is nearly finished with taking your abuse. You and your comrades are destined soon to lead your nation into total disaster as reward for the evil you have perpetrated.

Your doom was foretold some 2,570 years ago, as God, whom you deny and hate, spoke through His prophet Ezekiel. If you can track down a Bible somewhere in Russia, you will find the account of your impending judgment in chapters 38 and 39 of Ezekiel, in the latter part of the Old Testament. Just prior to this section, in chapter 36 and 37, The regathering of Israel as a nation is foretold and described. The next two chapters, 38 and 39, proceed to tell how God is going to allow you to enter the land of Israel, not for glory, not for plunder, but for JUDGMENT.

God is the Judge and the Sovereign Ruler of His entire universe. You have blasphemed and slandered your Sovereign. You have plundered, castigated, and murdered millions of His subjects from the Baltics to the China Sea. And you have meted out special persecution to those who love and serve His only honor.

hilation.

God is righteous. He would be unrighteous to ignore your crimes and

sin will find you out."

In another place He said:

"Whatever a man soweth, that shall he also reap."

And you are about to reap your judgment — in Israel

God says He will be waiting for you in Israel in the latter years. And who can deny that these are the latter years of this age? You plan for the coming age of Communist Utopia, world-wide, with God banished from this earth. But God promises the Millennium, with His Son, Jesus Christ, ruling as KING OF KINGS and LORD OF LORDS. Who do you suppose is right?

Concerning you, or your successor, God said to the prophet Ezekiel, "Son of man, set thy face against Gog, of the land of Magog, the chief prince of Meshech and Tubal, and prophecy against him, and say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief of Meshech and Tubal: And I will turn thee back, and put hooks into thy jaws."

Magog Meshech, and Tubal, spoken of here, were three sons of Japheth, who was one of the sons of Noah, who survived the great Flood. These three sons of Japeth are said to be the progenitors of the races inhabiting Eastern Turkey, Russia and much of Siberia.

Notice that God speaks of your impending

He will bring you, with your "army, horses and horsemen," down into the land of Israel. Your unholy purpose is also described. Your predator nation is out to take prey, and take prey in Israel, and in Jerusalem, home of Christiandom and Judaism.

You were dealt a small surprise in Israel in June of 1967. You and your Politburo are the ones who have promoted the vengeance, the hatred, and the arming of the Arab nations against Israel. You are as interested in destroying Israel as you are in destroying Christiandom. You were undoubtedly greatly surprised to see the tiny nation of Israel crush the imposing but not-so-great Arab confederation of nations. Be assured of this: it was something more than the economic power and the military prowess of the Israelis which put the Arabs to flight. It is God who both prospers world empires and calls them into judgment.

We understand that you are rearming Egypt and Syria, along with other Arab nations, for further battle with Israel. You have declared, with your peace-gilded hypocrisy, that you will put everything you have behind the Arabs against Israel. According to the prophecy in Ezekiel, we declare that the Arabs will never overcome Israel. God would defeat the British Empire not on the banks of the Thames, but on the banks of the Yangtze, the Bangs, and the Nile. The Prophet Ezekiel, on the other hand, forecasts that the anti-god Russian Empire will meet defeat not on the banks of the Volga but on the banks of the Tigris.

In fact, you are soon to realize that the situation is so serious that you will need to use the armies of Russia, and others, to win this war you are perpetrating in the Middle East.

God says here through Ezekiel, that PERSIA, the present Iran, will be with you, besides "Gomer and all his bands; the house of Togarmah of the north quarters, and all his bands."

Gomer, spoken of here, was another son of Japeth (you can review his genealogy in chapter ten of Genesis), and Togarmah was a son of Gomer. Gomer is said to have settled the area that is now East Germany and Poland, and Togarmah later went south into what is now Western Turkey. So it appears that East Germany (Poland, Turkey and Iran) will be going with you down into Israel "together with their bands" — which possibly will include other Central European countries you have enslaved.

Just how soon this will happen we do not know, but it cannot be very far distant. You have set your mind to take Israel, and no doubt you have other plans to seize the Arab

nations.

But take heed: here is another warning to you from God, which He spoke through the prophet Zechariah. He said: "Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem. And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be CUT IN PIECES, though all the people of the earth be gathered together against it." — Zec.

God warns here that all who lay hands on Israel shall be "CUT IN PIECES." Egypt and the other Arab nations have already been cut in pieces by God's defense of Israel. And if they renew the war, even with twice the armour and with much wiser and braver leadership, they will again be, cut in pieces, most likely in a much greater way, just as surely as God is real. And when you bring your great armies down from the north, they will

THUS FAR and no farther

be cut and quartered and fed to the wild beasts of the field. — See Ezekiel 39: 17-22.

It is positively dangerous to touch God's chosen nation. To Abraham, Israel's founder, God said: "I will bless them that bless thee, and curse him that curseth thee." — (Genesis, 12, 3).

God has great plans for Israel, and He doesn't plan to allow you or anyone to stop Him.

It's quite plain to see why you desire to seize the Arab nations, and destroy Israel. After all, Israel is the great ancestral home of the world's great faiths, Christianity and Judaism. It would be quite a psychological victory. Then also, the Dead Sea in Israel is estimated to contain dollars 1,270,000,000,000 (one trillion, two hundred seventy billion dollars) worth of minerals. The potash alone in the Dead Sea would fertilize the lands of the world for several centuries. This would give you a tremendous economic advantage over

the rest of the world.

And with the vast oil deposits of the Middle East under your control, you would have a strangle hold on the industry of Western Europe. Then also, Israel is the land bridge from Europe and the Middle East into Africa. This would give you easy access into the great Continent.

So the taking of Israel and the destruction of her people is quite important to you.

But know this for sure — God is watching your moves, and He knows your plans.

He will be waiting for you in Israel.

(To be continued)

RUSSIA AND ISRAEL AT WAR

THE VICTOR AND THE VANQUISHED

There is no use to play down the grave danger now confronting little Israel, as she faces the mighty Goliath of the north. The challenge is afresh before Israel as it was in the days of Samuel, "Choose ye a man. If he be able to fight with me and kill me, said Goliath, then we will be your servants, but if I prevail then shall ye be my servants." I Samuel 17: 9, 10.

"I defy the armies of Israel this day," was his shout, and "Saul and all of Israel were dismayed, and greatly afraid."

This Philistine drew near and presented himself with this challenge morning and evening

of Samuel.

Let Israel know assuredly that the very same power from above that actuated little David and gave precision accuracy and power to the fatal rock in his sling, assists Israel pilots to shoot down the enemy planes, as well as our statesmen in their noble conquest for a just and permanent peace.

Israel Be Not Dismayed

Our prophets of olden time have clearly pre-announced the outcome of this conflict and sounded the death of Russia. The prophet Ezekiel has most wonderfully described in advance for our special benefit the victor and the vanquished in the final outcome of that which now faces Israel.

In chapters 38 and 39 the end of this modern Goliath is given most clearly. It reads, "Son of man set thy face against Gog the land of Magog, the chief prince of Meshech and Tubal and prophesy against him."

That is the land of Magog. Now go back and read from the tenth chapter of the second book of Moses (Genesis), where we find that Magog, Meshech, etc. were the grand-sons of Noah. Now consult the map which you

will find in the back of many Bibles, or examine your encyclopaedia, and you will see that these grand-sons of Noah settled in Russia. This agrees perfectly with the description given by Ezekiel where he says they come from the North quarter, from thy place out of the north parts.

He says of Russia: "Prepare for thyself, thou and all thy company (other nations) that are assembled unto thee. After many days thou shalt be visited. In the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many people against the mountains of Israel. ... Thou shalt ascend (planes) and come like a storm. Thou shalt be like a cloud to cover the land, thou and all thy bands and many people with thee."

HIS END

"I will rain upon him and upon his bands and upon the many people that are with him, an overflowing rain, great hailstones, fire and brimstone. Thus will I magnify myself, and sanctify myself, and I will be known in the eyes of many nations, and they shall know that I am the Lord (the Elohim).

THE APPLE OF HIS

He that toucheth you toucheth the apple of His eye. — Zech. 2:8.

HEAVEN SPEAKS AGAIN

"Ho, Ho, come forth and flee from the land of the north saith the Lord (Elohim), for I have spread you abroad as the four winds of heaven saith the Lord. Deliver thyself O Zion that dwelleth with the daughter of Babylon. For thus saith the Lord of Hosts, after the glory that He sent me unto the nations which spoiled you for he that toucheth you toucheth the apple of His eye."

For behold I will shake mine hand upon them, and they shall be a spoil to thy servants, and ye shall know that the Lord of Hosts hath sent me. Sing and rejoice O daughter of Zion, for, lo, I am come, and will dwell in the midst of thee, saith the Lord.

And the Lord shall inherit His portion in the Holy Land, and shall choose Jerusalem again. Be silent O all flesh, before the Lord, for He HAS RAISED UP OUT OF HIS HOLY HABITATION. — Zechariah 2: 6 to 13.

5 Israel In The Shadows

By Charles Henry French

(1) DEAR READER,

The Middle East today poses the most critical situation ever faced in human history. The shadows which deepen over Israel not only concern this small nation, but all the nations INTERESTED and more so, YOU PERSONALLY.

Three years have passed since the world watched the transfer of Old Jerusalem from Jordan's King Hussein, to the original inhabitants of 3,000 years ago — ISRAEL.

Behind that TRANSFER lies the final moves in the GREATEST DRAMA OF THE AGES, which is yet to fill our war-weary world with an era of Divine Glory and Peace never before witnessed by nations on this planet: the SUDDEN RETURN of the KING OF GLORY, the Lord Jesus Christ, with His holy angels. — Mark 13: 25-27.

This Reviewer had expected that THREE years from the June 1967 "lightning strike" would bring greater events around Israel, to confirm the many Divine warnings of the imminence of the Lord's return which have been so plain to the WATCHERS ever since Lord Allenby entered Jerusalem in December 1917. June 1970 has certainly added its meed of happenings toward that end.

These Signs are appearing, just as the Lord Jesus so long ago forecast in the Gospel record of Luke ch. 21: 25-36.

And just as surely as these Signs now mightily increase, so the Middle East now poses a threat to world-peace — of a type never before seen, for it would most surely involve U.S.A., Britain, the Soviet Union and the Arab nations; bringing in its train the threat of the last resort — that of nuclear war.

Here are a few typical news comments:

May 6th, "Soviet intervention in the Middle East could force the U.S. to make the ugliest choice in its history... risking nuclear confrontation with the Kremlin."

June 30: "The situation in the Middle East is more critical than it has been since the Six Day War of 1967."

May 12th: "The rising military tension is a reminder that it is in the Middle East, not South East Asia, that the great danger to world peace lies."

May 16th: "Today the Middle East again stands at a flash-point which the slightest mistake could ignite."

May 20th: General Moshe Dayan, of Israel said: "there would be an electric and electronic

summer if Russian aid to Arab countries continued."

That AID, with Soviet interests predominantly in view, is now MASSIVE. It was forecast 25 centuries ago, in the prophecy of the "TIME OF THE END" of one great Athiestic nation gathering other nations under its power, and bringing this great confederacy against the small Israel nation. But suddenly the God of Israel, silent for so long, takes over the battle, and with fire and sword, earthquake and storm, lays low the invading forces, while the world looks on amazed at this exhibition of DIVINE POWER.

This story, prophecy, and fulfilment, can be read in the following Bible references: 1. Samuel 2: 10; Psalm 18: 37-40; Isaiah 10: 24-33; Ch. 30: 27-31; Ch. 59: 19; Jeremiah 23: 19-20; Ezekiel ch. 38: 7-23; Joel ch. 2: 20; Micah ch. 4: 11-13; Rev. 16: 13-16.

All these references, as will be noted from the context, are in the days when the LORD RETURNS.

Meanwhile, as this GREAT SHOW-DOWN between God and the nations is apparent in the Russian supported Egyptians, Syrians, Iraqis, and Commandos of Lebanon and Jordan, Israel warns the Western nations, but to avail.

The history of the 1930s surely shows that ostrich-like behaviour, and facile faith in the good intentions of dictators, results in CATASTROPHIC AWAKENING."

How true.

That is what the Bible says: "SUDDENLY"; "AS A THIEF IN THE NIGHT" (Mark. 13: 36; Luke 21: 35); but there is another reason also; for, if the nations knew the truth about the sudden return of their DELIVERER, they would act differently.

God will not allow other nations to DELIVER ISRAEL. He will deliver them by HIS KING-ELECT — the LORD JESUS CHRIST, and no one else. — Isaiah ch. 63: 3-5. With the result that GOD'S NAME and PURPOSE with Israel (which few understand today) will be "SANCTIFIED, in THEM, IN THE SIGHT OF MANY NATIONS". — Ezek. 39: 28.

Thus THE HOPE OF ISRAEL covenanted with Abraham (Genesis 12: 3) sealed by the blood of Christ (Romans 15: 8) ultimately brings PEACE and HAPPINESS to both Jew and Arab, Christian and Gentile, fulfilling the prayer "THY KINGDOM COME, THY WILL BE DONE IN EARTH AS IT IS HEAVEN" (Matt. 6: 10).

(2) THE SEARCH FOR PEACE.

The Reader will have noted the dismal failure of Peace efforts during the past few years; and older readers whose minds can go back to the days of 1910 especially, when one thinks of the ENTENTE CORDIALE; the LEAGUE of NATIONS of 1920 and their meetings in various cities, such as Madrid, Rome, Yalta, Teheran, Brussels, London, Cairo, Paris, Geneva and Rome. The delegates visited each city with the hope that Peace would result, but failure dogged their efforts every time, even though the cleverest diplomatic brains of the world were concentrated at these meetings.

How true were the words of Sir Edward Grey, British Foreign Minister of 1914:

"I fear the lights of Europe are going out and that they will never again be lit in our time."

Mr. U Thant, the Secretary-General of the U.N.O. still continues the will-o-the-wisp search for the elusive formula. On June 17th, "he urged the Great Powers, including China, to hold periodic Summit Conference... and a change from confrontation and division to the building of a safe and peaceful world."

Thoughtful minds can well realize that if peace could not be obtained by the SUMMIT meetings of the last 40 years; when problems were fewer than today, what little hope there is today for world unity, by man.

Happen to a few comments.

President Nasser, June 27: "The people in [redacted] are not ready for compromise. They are preparing for a major battle with Israel."

Amman, June 29th! Answering the U.S.A. suggestions for peace, the guerilla leader said: "We will never agree to a peaceful settlement" and speaking about other Arab peoples, he said, "without our consent they can do nothing." Even Dr. Nahum Goldman of the World Jewish Congress suggests an impossibility — April 10th: "that the Jewish State's existence should be guaranteed de jure and de facto, by all people of the world, including the Arabs, and put under the permanent protection of the whole mankind."

The learned Dr. should read the Old Testament Scriptures (Daniel 7: 14; Isa. 9: 6; Psalm 22: 27; Micah 5: 4-5; Zech. 14:9).

SO PEACE COMES, not by man, but divinely ordained, by the Saviour of Israel, who said that they would joyfully receive Him when they would say: "Blessed is He that cometh in the name of the Lord". — Matthew 23: 37-39).

ISRAEL — YOU ARE VERY CLOSE TO THAT DAY.

(3) THE BRITISH ELECTIONS.

The election in Britain is over. Not only did June 1970 bring the 3rd Anniversary of

the Israel war of 1967, which brought Israel to their destination — to OLD JERUSALEM, a most important event in the history of Israel, and of the world; but the British election result brought another complementary event which could well have a bearing on the world situation just prior to the coming of the Lord.

We will mention this later, but FIRSTLY, we note that the pre-election forecast of the election result, as taken from the finds of 12 Polls, gave Mr. Wilson a majority of some 40 or 50 seats in the Commons. What went wrong? — for the outcome was a great shock.

It took my mind back to a similar election held in 1948 — that of Mr. Truman of U.S.A. and Governor Dewey. (Read the pamphlet "When prophecy echoed in White House"). (Free copy).

Now what is the parallel between the astounding result of the British election? Well, under the Wilson Government the British Empire had been whittled away — doubtless to allow the Kremlin to throw its mantle over the countries mentioned by the Scripture prophecies as being in the vanguard ready for their DESTINY ACT against Israel.

The new British Government may well take a different role than its predecessor, for it has reserved the "all-out-withdrawal" from the FAR EAST and also the PERSIAN GULF SHEIKHDOMS, in their "EAST OF SUEZ" POLICY. They have sensed the danger of the naval emergence of Russia into the Indian Ocean, and also the Russian entry into the Mediterranean sea, and now the presence of the Soviet in Egypt, with a possibility of re-opening the Suez Canal, and Egypt could also well become a second Czechoslovakia.

If the reader carefully reads Ezekiel ch. 38: 13 he will note that ONLY ONE small nation is aligned with the "West," or the "MERCHANTS OF TARSHISH" bloc (which today can be identified without any doubt to Britain, U.S.A. and the few dominions left in the Western fold).

Ezekiel ch. 38: 13, places "Sheba and Dedan" first, and if any Russian-Arab invasion came suddenly, THAT would be the order of meeting — SHEBA FIRST.

"Sheba and Dedan" of the past were peoples of Arabia, and correspond to the sheikhdoms around the Persian Gulf area, extending down to Aden.

It is not surprising then to read in the "Sydney Morning Herald" of June 26th the following:

"Much of the discussion about British defence policy east of the Suez has been concerned with the British forces in Malaysia and Singapore. But there is another British presence on the other side of the Indian Ocean which

has UNIQUE IMPORTANCE. This is the Persian Gulf area, where for about 150 years Britain has been the guarantor of peace and the arbiter of disputes between Bahrain, Qatar and the Trucial States."

The article goes on to say that this British force has been a great influence as a stabiliser, "and an effective bar to penetration of the area by other nations, notably the Soviet Union. Washington, for one, will be much relieved that Lord Carrington will soon be discussing the continuity of the presence with the sheikhdoms concerned. So should Australia."

The reader will note that this little Arab section is the only one grouped with the West in the FINAL CONTEST; and, as Bible prophecy is "HISTORY WRITTEN AHEAD" IT MUST BE FULFILLED.

The change in the British Government could well put the finishing touches by its Far East policy, to the alignment of the Great Invasion Confederacy and those who will oppose it, not apparently by force of arms, but by the "surprise-question" "ART THOU COME TO TAKE A SPOIL?". — Ezek. 38: 13.

Suddenly, the nations of the world are to see the most amazing show of Divine Power, when God says: "my fury shall come up in my face" (v. 18) and then follows (1) mighty earthquake (vs. 19, 20); (2) Other nations assembled with the Invader, beat down one another (not the first time in Bible history — see 1. Sam. 14: 16); (3) "An overflowing

and inundation" (v. 22).

... THE
ARMED by this disaster to the Invading armies
SANCTIFIES THE NAME OF GOD AND PROVES HIS GREAT POWER "in the eyes of many nations, AND THEY SHALL KNOW THAT I AM THE LORD."

SECONDLY as regards the British election result and its effect upon the negotiations to enter the European Common Market, we may yet see a marked reverse in this intention.

Not only so, but the onerous terms laid down for entry will prove a formidable barrier, even though negotiations are now going on with a view to membership.

On May 27th, it was reported from Brussels that membership of the E.E.C. provides that "Britain must commit itself to joining the Six, in a full economic and monetary union, including ultimately a common European currency, before it can be admitted to the Common Market." Our interest lies in the Biblical association as mentioned in Revelation ch. 14: 12-14.

JORDAN'S JUDGMENT.

Jordan and King Hussein is much in the news today, as confrontation with Israel looms perilously near. Jordan of our day includes the ancient territories of Ammon, Moab, and

Edom; Bozrah, Idumea; Mt. Seir all being part of ancient Edom, and thus there is more Bible prophecy about Jordan and the "latter days" than all other Bible lands. There is a long dated prophecy of Number 24: 14-19 which has a most interesting connection with our days, although it was written 24 centuries ago. Balak, king of Moab, had hired a local soothsayer, named Balaam to curse Israel who, as a nation, were just coming out of the bondage of Egypt; but each time he opened his mouth, he was divinely made to bless Israel instead of cursing them.

Balak then took him from place to place, offering him a good reward for his services, but with the same result, and Balak then disgusted told him neither to curse, or to bless. But Balaam had not finished with his divinely ordered prophecy, and his parting shot was: "And now, behold I go unto my people; come therefore and I will advertise thee what this people (Israel) shall do to THY PEOPLE (Moab-Jordan) IN THE LATTER DAY." — Numbers 24: 14. . . . there shall come a Star out of Jacob Yahshua (Jesus) and a sceptre (throne) shall rise out of Israel and shall smite the corners of Moab (Jordan) and Edom shall be a possession; Seir also (both in Modern Jordan) shall be a possession for his enemies, and Israel shall do valiantly."

The king has survived quite a number of attempts on his throne and his life, but one

main army have achieved... The next few days may be the most momentous in the history of the Middle East."

He had often been thought of as a "MODERATE" to Israel, but he certainly signed his own-fall on June 29th when it was reported by the United Press from Amman "King Hussein of Jordan last night directed Jordan's new Cabinet to prepare the country economically and politically for WAR WITH ISRAEL."

What of Israel, in this eventuality?

Months ago, Israel said that if the status quo of Jordan's king and government was altered, they reserved the right to intervene. This takes us back to the Balaam prophecy quoted above, and to that of Ezek. ch. 25. 14.

General Moshe Dayan has also said that Israel would not sit idly by, if the commandos took over control of Jordan. It should also be kept in mind that the prophecy of Isaiah ch. 11: 14 has been PARTLY FULFILLED in its FIRST SECTION, in that Israel DID "FLY UPON THE SHOULDERS OF THE PHILISTINES (in Gaza) toward the west" and they also DID "SPOIL THEM OF THE EAST (Jordan) TOGETHER" in the Six Day War of June 1967. The remainder of the verse reads

Questions And Answers

QUESTION :—

In speaking of Joshua's long day, we are asked if this throws us off a day in our correct worship, on the seventh day Sabbath?

ANSWER :—

The length of the day does not, and did not alter the regular weekly cycle of seven days. In some fifty places in the New Testament we read of the apostles keeping the Sabbath, referring to the 7th day. Regarding the Holy Women following the crucifixion, it says: They kept the Sabbath according to the commandment." — Luke 23: 56.

Consequently Joshua's long day did not cause any confusion, in knowing what day was the Sabbath. Astronomy definitely proves that the weekly cycle has never been broken or altered from remote time. This is a miracle indeed, and shows that the Almighty has his hand over the affairs of man, to accomplish his purpose in the preservation of the day He blessed and made HOLY.

QUESTION :—

It is claimed by some that Christ was not crucified on Friday, but in St. John 19: 31 it says it happened on the day of preparation,

ANSWER :—

Yes he was crucified on the day before the Sabbath, but that was not the weekly Sabbath. Please examine the text carefully again, and you will see that it says, (For that day was an highday). Also in verse 4 of this same chapter it says: "It was the preparation for the Passover. Hence it was not the preparation for the weekly Sabbath.

Go back to Leviticus 23rd chapter, where we have the introduction of the Passover Sabbath, which always came on the day after they killed the lamb, and it was killed on the 14th of this first month Abib.

Verses 5 and six make it clear that the 15th of this month was the Passover Sabbath, the day that followed the killing of he lamb which was a type of Christ. He was crucified on the same day the lamb was slain. — Luke 22, 1 to 7 etc.

This "High Day Sabbath" is observed all over Israel, and is known as the "BIG SABBATH." It comes once a year, on the 15th of the month. This suffering servant of Isaiah 53rd chapter, our Messiah was crucified on Wednesday, and resurrected "In the end of the Sabbath," Matt. 28: 1 fulfilling his words in Matt. 12: 40 that

He would be in the grave "Three days and three nights."

Send for the free tract on this question fully explained, with perfect scriptural harmony.

QUESTION :—

Do you observe the Holy Days in Israel like the Passover, "Day of Atonement," Feast of Tabernacles, etc., and if so why, when they were a part of the law of "Animal Sacrifices" which was done away with the crucifixion ?

ANSWER :—

I am sure if you were living in Israel you would observe the holidays of the nation, just the same as you do the holidays of the country where you live. The holidays in Israel, however, are of a much different nature than those observed by any other country in the world. National holidays only commemorate important historical events of that particular nation, while the holidays of Israel commemorate wonderful events performed by the Hand of the Almighty in behalf of his church, his chosen people of times of old.

While the nature, or the way of their observance has been greatly modified, and changed since the advent of our "Suffering Servant." — Isaiah 53rd chapter, the beloved Messiah, who did not cease the offering of his great sacrifices from the Father's command. Surely it is not pleasing to Him to let us do so.

It is certainly highly commendable to the Jewish people scattered as they have been into every nation on earth, to have perpetuated the memory, and not to have forgotten these great miraculous events of the deliverance of His church, His chosen ones in times past. These holidays stand from "The Creation of the World":

The Writing of the Ten Commandment! Deliverance from Egyptian Bondage; Fed Manna 40 Years in the Wilderness; Day of Mourning over the Destruction of our Church House, the Temple, built by King Solomon here at Jerusalem, and the Deliverance of the Church of God, "The Father's Chosen People," at the time of Esther.

Why should the Father's children forget them now, just because the animal sacrifices which were carried out on some of them have ceased?

Our Messiah said: "Think not that I came to destroy the Law or the prophets. I came not to destroy, but to fulfill." — Matt. 5: 17.

He fulfilled the sacrifices, the shedding of blood on these days, because He shed his own

ISLAND OF ANTIQUE. —

Dear Elder Dugger,

Greetings to the holy name of our soon coming Lord and King. I do take this great pleasure in writing you for the first time I am a member of the Church of God 7th Day in Antique was baptized on the 8th of December, 1963 by Elder Caton.

I am now serving the Lord for 7 years and have nothing to regret the day I receive this wonderful message of our soon coming Lord. How wonderful it is to be saved and to be saved into the right doctrine and that is the "Church of God."

I am determined to press on, and fight the good fight of faith.

Greetings to all.

Miss Joan Martin.

My dear Friend,

I love any kind of literature that comes from Israel and this magazine is so up to date. Its contents are such a blessing to me.

Please pray for me, as I pray for your work there, the nation of Israel and the peace of Jerusalem.

Thank you.

Dear Bro. Dugger,

I am a former Roman Catholic. I left that church 3 years ago. For a while I was attending an Evangelical Church but I left that also because of the teaching of Hell and Eternal torment.

I have read your booklet "Hell, What and Where Is It?" and I found it to be a blessing.

I will be visiting Israel next month at which time I hope to see you.

Sincerely,
Mike Walko.

GIG HARBOR, WASH. —

Dear Bro. and Sister Dugger,

We enjoy the Mount Zion Reporter very much, and pass it along to others, who in turn pass it to their friends — so it makes the rounds. One lady said she likes to sit down and read the whole paper at one time.

Yes, His coming is very near even at the door. May we "keep our garments, lest we walk naked." - Rev. 16: 15.

Yours in Christ,
Bro. and Sis. Ahlberg.

OREGON. —

Dear Brother Dugger,

You know Brother Dugger, my wife Lydia and I are blessed above all people. We think, I have worked hard all my life, and it seems we had to struggle to make ends meet.

Now it seems we have plenty. Our Heavenly Father has bless us so much. Lydia and I believe it is because we send tithes over there. It seems as the scripture says : "I will bless them that bless thee."

We are not doing this in order to get a blessing, but to help, and that is too where our heart is. We can't praise His Holy Name enough.

We pray for you all every day and ask for your prayers also.

Yours in our Saviour's Name,
Lydia and Orville Spires.

CALIFORNIA. —

To my wonderful friends in Jerusalem.

How I do thank God for you. I was overjoyed to get your letter and the precious things you sent, I broke up into very small pieces one of the salt rocks, and will save the others whole.

I have lots of good friends in the church and among relatives.

Of course they all want to

water some of the plants when they get big enough.

My dear husband died four months ago. He was almost ninety years old.

Since I have been a Christian, I have longed to see the Holy Land, but I know I never can go there.

So when I get such a blessing as the things you sent, it seems like a breath from Heaven. I pray God's richest blessing on both of you.

Sincerely,
Mrs. Mundork.

WASHINGTON. —

Dear Sister Effie and Bro. Dugger,,

I truly was sorry the \$5 sent (cash) in May did not reach you — will use cheques from now on to assure no one else could "cash in" on funds I send for His service there.

The mail in the U.S. can no longer be trusted — we hear from those working in the Post Office system — they may hold up a letter to the light to see if it contains cash and then (if it does) toss it in the waste basket from whence the individual withdraws such mail as he "supposedly" empties the waste basket later in the day !

GOOD HEALTH (Continued from page 12)

as the father of English medicine, who lived in the 1600's. It seems he had a patient with the gout but all his remedies proved ineffective. So he sent him to see a certain doctor about a hundred miles from London, who he said was the world's greatest authority on the gout.

The patient soon found that there was no stagecoach that went to this town, so he had to ride a hundred miles on horseback to see the doctor. But when he got there nobody had heard of the doctor he had come to see. So he rode the hundred miles back to London, called on Dr. Sydenham, and asked him: "On what kind of wild goose chase did you send me?" Sydenham replied by asking him: "How's your gout?"

"What gout?" replied the patient.

The physical action of 200 miles on a horse's back, the perspiration it produced, the oxygen it sent into all the obscure parts of his body, the hormones that his glands made, all contributed to clearing up the symptoms of the man's gout.

"Live On 6 Pence A Day And Earn It" — Gout Cure

Someone asked a Dr. Alberney of those times, what is a good cure for the gout. He replied: "Live on 6 pence a day, and earn it." This meant lots of bodily movement and exer-

I will quote from his diary, May 12, 1662: "Mr. Townsend called on us by four o'clock and by 5 the ladies, my wife and I, and Mr. Townsend, his son and daughter, were got to the barge and set out. We walked from Mortlake to Richmond and so to boat again. And from Teddington to Hampson Court Mr. Townsend and I walked again."

What I like about it is to see whole families together. This practice should be revived.

The English historian Travelyan who lived in the 1800's must have thought a lot of the value of walking for he once said: "I have two good doctors — my right leg and my left leg."

QUESTIONS AND ANSWERS (Continued from page 8)

blood to atone for the sin. In-as-much as He came not to destroy anything, surely He did not intend to destroy from our memories, these great events for which the holidays stand.

There is now a general awakening all over the world among the people who love Israel and Jerusalem, and they are keeping track of these events, remembering them, and praising

the Almighty for what He did on these days. This is a direct fulfillment of Micah 5: 3. Verse 2 is that wonderful prophecy concerning the birth of our Messiah in Bethlehem.

Then the first part of verse 3 of Him giving up the Jewish people (Matt. 23: 37 to 39, and Luke 21: 24), until they passed through their travail, and have brought forth (a nation born in a day), THEN it says the REMNANT of His brethren shall return to the children of Israel.

This is what they are doing now, in remembering these days of mighty miracles, for His people, and also in keeping the weekly Sabbath.

NEWS DIRECT FROM ISRAEL

TEMPLE MOUNT FINDS REVEAL CITY'S ANCIENT SOCIAL HISTORY — MAZAR

Prof. Binyamin Mazar, organizer of the archaeological dig in the area surrounding the Temple Mount, said last night that findings there to date have thrown remarkable light on daily life in Jerusalem during the period of the Second Temple.

Prof. Mazar was speaking at a festive dinner held at the Knesset in honour of this year's recipients of honorary degrees from the Hebrew University.

He himself is being awarded the University's Solomon Public Prize.

The Temple Mount dig, which began a little more than two years ago, will continue at a vigorous pace for several years, he said.

"An impressive picture is being revealed of beautifully conceived planning and magnificent building which we have previously read about in the works of Josephus Flavius and the Mishna.

"The plethora of findings provide details of the life of the people and its creative spirit, and even of Temple worship. Historical episodes, including the destruction of the Second Temple in 70 A.D. and the attempt to rebuild it in 362 A.D. during the rule of Julian the Apostate are receiving surprising embodiment," he said.

RAFAH BOMB WOUNDS 14 CHILDREN

GAZA. — Fourteen Rafah residents, mostly children aged 4 to 8, were injured here by a home-made bomb thrown at an army patrol about 8 a.m. last week. The bomb exploded behind the vehicle and its occupants were unhurt.

Members of the patrol arrested several suspects and took the injured to hospital in Khan Yunis.

During the summer vacation many Gaza Strip children hang around the "suk" market places, trying to earn a few piastres helping housewives carry their purchases home. The children among the injured were all errand boys. Seven were between the ages four and six and one was eight.

In another incident last week, a hand-grenade was thrown at about 2 p.m. at an Israeli civilian vehicle in the Sagiea quarter of East Gaza. The two occupants of the car sustained light injuries.

HEAVY DESTRUCTION

Practically everything built by man in this once-thriving Canal town of some 15,000 peo-

ple has been destroyed. Only the troops, their transport and their fortifications save it from being a ghost town. Blackened areas and seared palm trees mark the use of napalm, and the causeway connecting the town with the city of Suez is pockmarked by huge bomb craters and buckled railway tracks. An unexploded bomb lay rusting on the side of the makeshift connecting road.

In Suez itself, Egyptian information officials caused a flurry by announcing a first Israeli violation of the cease-fire, and then retracting it as a mistake. It followed shortly after three high-flying jets, vapour trails streaming behind them in the cloudless blue sky, swept close to the town. Egyptian officials identified them as Israel, apparently on a reconnaissance mission, and said they had violated air space on the Egyptian side of the cease-fire line.

They said Egyptian artillery had fired "warning shots," and the incident would be reported to the U.N.

TOURISM

This year's tourism figures are beating all previous records. Tourism Minister Moshe Kol told the Knesset recently that between January 1 and July 18, a total of 238,500 tourists entered the country, an increase of 11 per cent over the corresponding period of 1969, and even greater than the record 230,000 tourists which was in 1968.

Between July 19 and July 30, over 44,000 tourists entered the country, an increase of over 10 per cent compared with the first 18 days of July 1968.

27 STATE CONGRESSMEN URGE SALE OF JET PLANES TO ISRAEL

WASHINGTON. — A letter to President Nixon urging the United States to sell supersonic jet planes to Israel has been signed by 27 of the 38-member California House Delegation.

In all, 217 of the 435 members urged Nixon to take the action. The letter noted, in part:

"It is clear to us that the moment has arrived for the United States to take firm action to meet the present danger posed by the involvement of the Soviet Union military forces in the Middle East."

NEW SAUDI-YEMEN AMITY CEMENTED WITH CALL FOR ANTI-ISRAEL STRUGGLE

JEDDAH (Reuter). — Saudi Arabia and the Yemeni Republic, who have just ended eight years of hostility, last Monday affirmed their new friendship with a joint call to the Arab

and Moslem worlds to concert their struggle against Israel.

SOVIET-SYRIA PACT

DAMASCUS (AP). — Syria on Sunday ratified agreement with the Soviet Union providing for improved telecommunications between the two countries. The agreement stipulates the establishment of satellite ground stations and the supply of radio equipment to Syria.

NEGRO LEADERS BACK ISRAEL IN ADVERTISEMENT

NEW YORK (INA). — A group of Black Americans has placed a full-page ad in the "New York Times," urging that the U.S. supply planes to Israel.

The advertisement appeared in the newspaper last week, was headlined: "An appeal by Black Americans for U.S. support for Israel," and was sponsored by the A. Philip Randolph Institute. Mr. Randolph is a vice-president of the A.F.L.-C.I.O. trade union federation.

250,000 POLITICAL PRISONERS

LONDON. — There may be more than a quarter of a million "prisoners of conscience" in jails throughout the world, according to a report released by the British section of Amnesty International.

The report said: "The Arab-Israeli problem... has radically affected political imprisonment in many countries, in some cases leading to releases; in others where there are large Jewish communities, to mass arrests and persecution." "With the exception of Lebanon and Jordan, arrests without trial of political suspects are frequent and prison conditions are notoriously unsatisfactory."

SOVIETS AND GERMANY

Three times in the past 50 years Germany and the Soviet Union have signed major pacts. The first was the Rapallo Treaty of 1922 in which the defeated Germans and the rising Bolsheviks decided to defy the rest of Europe and deal directly between themselves. This heralded close cooperation between the two powers, especially in the military and economic field.

In 1939 came the infamous Stalin-Ribbentrop Treaty which carved Poland in half and permitted the Nazis to invade that country a week later. Stalin could then move West and was able to annex the Baltic states.

These echoes of the past cannot be altogether put out of mind now that Bonn and Moscow have initiated a new treaty of cooperation and the renunciation of the use of force. It is expected that Chancellor Brandt will personally sign the agreement in Moscow this week.

In a calculated attempt to pry the Soviet Union loose from East Germany and to achieve a breakthrough in the cherished dream of reuniting Germany, Mr. Brandt has taken an enormous step which is likely to have repercussions far beyond the boundaries of Europe. Any treaty entered into by Germany is bound to affect its relations with the United States and Nato, while any agreement entered into by the Soviet Union might affect the latter's relations with the rest of its satellites, East Germany in particular, and also with non-satellites such as China and Yugoslavia.

MEMO TO TEL AVIV: THAT BOOM-BOOM IS ONLY STEAM

HAIFA. — People in Tel Aviv who hear loud, explosive-like noises in the next few days should not become alarmed, the Israel Electric Corporation announced.

The utility company explained that, in preparing the first unit of the Reading IV power station for operation, compressed steam must be shot through the pipes.

This process, it said, produces bomb-like sounds.

TERRORISTS COMPLAIN OF LACK OF FUNDS

A member of the terrorist Central Committee in Jordan yesterday implied that the Arab states were deliberately ignoring their financial commitments to the terrorist organizations. In an interview with the Cairo-based Sawi Falastin, the executive in charge of terrorist funds warned that the "conspiracies" to liquidate the terrorists had now shifted to "financial suppressions."

GOLAN DRUSE EARN FOUR TIMES AS MUCH

MAJD EL-SHAMS. — The annual income of the 7,500 Druse on the Golan Heights has increased fourfold since 1967. During this period the number of cars and trucks owned by the villagers has grown twentyfold, and every third dwelling house in Majd el-Shams, on the slopes of Mount Hermon, was built during the last three years.

Figures compiled by officials in the area show that last year alone, the farmers earned IL.3m. from their crops — more than four times their pre-war income.

The five Druse villages have been linked to the electric grid, and now have running water.

About 1,200 persons are now employed in Israel, as far away as Eilat. Their monthly earnings are over the quarter million mark.

Druse leaders said that about 75 per cent of all Druse on the Golan are ready to declare before an international committee their desire to be annexed to Israel and never to return to

Syrian rule.

NAZARETH PLANT MADE 10,000 CARS

NAZARETH. — Over 10,000 vehicles of 15 different models have been assembled at the car plant here. The first came off the production line in October 1966, and for the first year the plant produced four cars a day.

Now the plant, which employs 450 workers, averages 20 a day and expansion plans are being discussed.

A spokesman said yesterday that new machinery has been ordered and that the number of workers will be increased to nearly 650 in the near future.

2,000 PASSENGERS PASS THROUGH HAIFA

HAIFA. — Some 2,000 passengers passed in and out of the port last week, among them tourists, immigrants and returning residents. Nearly 200 immigrants arrived from Europe in the Dan and Iskenderun.

The Dan arrived with 535 passengers and 85 cars in her hold and left in the evening with 420. The passenger liner Aegina landed 648 tourists most of whom left on sightseeing trips. The ship will leave tonight.

PLANS ANNOUNCED FOR IMPROVING VINEYARDS

TEL AVIV. — A plan planting 3,000 dunams of grapevines which will be completed by the Agriculture Ministry spokesman yesterday.

Some 700 dunams have already been planted and the plan is to be completed within the next three years.

MEIR ASKS FOR IL1,000M. TARGET

Prime Minister Golda Meir has urged world Jewry to raise \$1,000m. in 1971 to help Israel overcome shortages and bridge an unprecedented dollar gap. Mrs. Meir made the appeal three weeks ago at a meeting with leaders of fund raising organizations in Jerusalem.

As contributions this year are expected to reach close to \$500m. — the epoch-making figure achieved in the year 1967 — Mrs. Meir's target would involve doubling the current effort.

The division would be as follows:

The U.J.A. and the Bond Drive will mobilize each around \$200m. this year, and would set their sight at \$400m., or \$800m.

GRENADE MISSES HEBRON SETTLERS

A handgrenade was hurled yesterday afternoon at a group of three Jewish Hebron set-

tlers en route to offer prayers at the old Jewish cemetery on the occasion of Tisha B'Av. No one was injured.

The bomb was thrown from behind a stone fence not far from the Machpela Cave. It exploded at a distance from the worshippers, who fell to the ground upon hearing the blast.

The police and security forces soon arrived at the scene and began searching for the perpetrator.

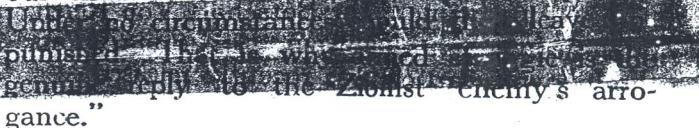

In Nablus, a handgrenade was thrown at an Egged bus while it was travelling through Faisal street in the centre of town. The bus was not damaged, as the bomb exploded behind, injuring three local residents and smashing windows of nearby vehicles.

Reporting the latter incident, Amman Radio last night for the first time emphasized that the casualties were local Arabs. In similar cases, the Jordanian and other Arab radios concealed the fact that the victims were local residents.

WITHDRAWAL WITHOUT FIGHT WOULD BE "INSULT," SAYS SYRIA

DAMASCUS (Reuter). — Syria's First Deputy Defence Minister and Army Chief of Staff has said that Israel's withdrawal from Arab territory occupied in 1967 without a fight would be "the biggest insult to the Arab military."

In an article in the ruling Ba'th party's newspaper, "Al-Ba'th," he said Israel "forcibly occupied our territory, insulted our dignity, slew our children and violated our sacred places."

DIGGING SEASON ACROSS COUNTRY

Over 25 archaeological excavations are here this summer, it was announced in Jerusalem by Dr. Avraham Biran, Director of the Government Antiquities Department.

He said the digs — which are in addition to numerous "rescue" excavations carried out by the Department all the year round — are sponsored by both Israelis and overseas scientific institutions, sometimes in cooperation.

Most of the historic and prehistoric periods are represented in these digs.

In Jerusalem, Prof. Binyamin Mazar is now in the third year of the excavations near the Temple walls on behalf of the Hebrew University and the Israel Exploration Society. In the Jewish Quarter of the Old City in Jerusalem, Prof. N. Avigad is now completing the third in the series of excavations in the Quarter intended to explore the history of settlement in the upper city of ancient Jerusalem.

This series of digs is sponsored by the above-mentioned institutions and the Department of Antiquities. — Items from The Jerusalem Post.

MORE OIL FOR ISRAEL OIL SHARES KEEP RISING

TEL AVIV. — Naphtha's recent oil strike still casts its spell on the Tel Aviv Stock Market. Reliable sources within the oil industry are quite optimistic regarding the new strike, and there is no lack of buying interest.

An opening bid for IL33,200 worth shot the price of Lapidot registered shares up by a handsome 11 points to 110 last week. At that price, IL40,000 changed hands.

MAIL CLERKS OPEN MAIL

In a recent letter from the U.S. the writer says it was broadcast over the radio there some time ago that clerks handing the mail had the right to open any they thought looks suspicious.

In the late mail another letter came stating that mail clerks were examining letters, and if cash was found in any, they were to throw the letter in the waste basket. It was stated, however, that likely the clerk who did it would empty the waste basket and take it for himself.

Under these conditions it is best to send all money by personal cheque, bank draft, or Express Money Order.

If you do not have a checking account yourself and some friend whom you know has one, sometime our readers have that friend send his cheque, and they give him the money.

THE NEW MONEY SYSTEM

In the magazine "Le Peuple de Votre Reich," published by the German Publishing House, the following article was recently released:

The publisher of the French magazine, Foyet Rai, received word from a Christian employed at the United Nations Organization, Geneva, Switzerland, stating that a sensational notification was made by a speaker of the U.N.O. at a recent meeting.

The speaker stated the following:

Plans are worked out to dissolve the U.N. to make way for a World Tribunal which will seize all possessions and all savings and bank deposits. Every man, every woman and every child will receive a certain amount of money and a number. This money is already available and deposited in a bank and waiting for distribution.

Everyone with a number will be employed, either in the administration, the commerce, the industrial or agricultural branch. This project and plan provides for total unification of the church and state, and also provides for a single form of worship. The appointed day for all people and all nations will be on Sunday, and the number received by all people would permit them to buy or sell.

At the end of the statement a Christian rose and asked the speaker: "What happens to the minorities who will not accept this plan?" He

was answered, "Their numbers will be canceled with a black line, and they will be deprived of the right to buy or sell and thus will be forced to destruction."

We see how far we are on the way to the World Government when no one is allowed to buy or sell who does not have the mark of the Beast or his name. — Rev. 13: 17:

"And no man might buy or sell save he that had the mark or the name of the Beast or the number of his name."

ISRAEL SHALL BLOSSOM AND BUD

Isa. 27: 6

Long has the tree been barren,
Lacking in leaf and fruit;
With branches withered and sapless,
Dried and dead from the root.

Mat. 24: 32

Weary and long was the winter
And earth was stormy and drear;
But now the tree grows tender,
And we know that summer is near,
Mark 13: 28, 29

For lo! in the withered branches
The sap begins to flow,
The boughs grow soft and supple
And the first green leaf buds blow.

Isa. 27; 6

The tree of the Lord's own planting,
True branch of David's Root,
Soon shall it bud and blossom,
And fill the world with fruit.

ISRAEL IN THE SHADOWS

(Continued From Page 7)

"they shall lay their hand upon Edom and Moab and the children of Ammon shall obey them" (Jordan). The days ahead will be full of stirring events in Jordan; but happier days are yet in store for Moab when the "pride" of Moab-Jordan has been brought low (Jeremiah 48:29) for we read in verse 47 "Yet will I bring again the captivity of Moab in the latter days saith the Lord." Moab and Israel have a link with the days gone by; for the great-grandmother of David King of Israel, was a Moabitess.

THE ISRAEL BIBLE CORRESPONDENCE SCHOOL

Many orders are coming in for the Free Bible

One day recently, Sister Harry, who is now taking care of the course, reported 186 orders from people in Israel on one mail. Another day over fifty, etc.

These lessons are prepared by the Editor, and a beautiful "Zion Diploma" will be presented free to all who complete the course with passing grades.

BIBLES—BIBLES—BIBLES

Orders are still flowing in daily for Bibles in different languages from people in Israel, thirty to fifty a day, which is wonderful for the summer months.

Sometimes in the winter they run as high as 200 a day, but average around a hundred. This is a wonderful work offered to our readers to have a part in, as well as tract distribution, here and the message going over the world.

Elder Shlomo Hizak just phoned that twenty thousand Hebrew Bibles ordered printed in Tel Aviv some eight months ago are to be delivered right away, asking how many we could store. He said it would make a big room full. They are being stored partly at his place, part in our publishing house and the rest in our guest house.

These will likely be sufficient for the fall and winter orders.

Elder Hizak paid for the printing and binding

of these twenty thousand.

Besides these, in Hebrew, however, the Editor has spent twenty five thousand seven hundred and forty nine Israel pounds, almost eight thousand dollars, for Bibles in other languages, and postages to send these, and Hebrew Bibles out in Israel, since the middle of last December.

All receipts from Bible houses in Israel are on file in our office.

We have on file also in Jerusalem over thirty thousand names and addresses, of mostly young people, in Israel, who have ordered New Testaments, or Bibles with both testaments during the past three and a half years, or since the Six Day War which resulted in the occupation of the Old city of Jerusalem by Israel.

This is truly a wonderful sprinkling of clean water over Israel, in which many of our readers have had an important part.

A GREAT WORK

Rabbi Shlomo

Just before printing the last run of this Reporters, word came from Elder Shoemaker, our Jewish Brother sent from Jerusalem in answer to a call from Africa.

I am back from the North of the country where I baptized 125 and set in order ministers. They are all very busy. I am today in Githiga. I baptized about sixty here. Last night we had a great spiritual outpouring among the young people. Last night they did not go to bed, but sang and prayed all night, and are now waiting for me to finish this letter to go to another prayer meeting.

The preaching brethren are out preaching and preparing for more baptisms.

"It is wonderful how they accept the Lord and the teaching from Jerusalem."

More calls are coming in from over the world for ministers from here to go to different places, where their work is to bring people into the one fold of Israel according to Galatians 3: 27, 28, 29 and Romans 2: 28, 29.
