ONE WORLD GOVERNMENT, HOW CLOSE ARE WE? THE DEADLY WOUND IS HEALING

Bible Prophecy Fulfilling

Bible prophecy makes it clear that One World Government is on the agenda of events "soon to come to pass."

For 2,000 years, this fact has definitely been established in the New Testament, particularly in the book of Revelation.

But even before the New Testament was written, the Prophet Daniel drew a graphic word picture of the one world government which was to be ruled over by Satan's emperor whom we have come to know in the New Testament as the man of sin.

There is no doubt about it: there will be a government "headed by a man", who is Satan-inspired, Satan-filled, Satan-spawned. These facts are so clear, so unmistakably set forth, so sharply defined, that there is no more question concerning the fulfilment of this prophecy than there is concerning the rising of the sun tomorrow morning.

The only question is this: "How close are we to the one world government which will be presided over by that ruthless, murderous, incarnate devil."

The answer to this question is given in part in a survey of the progress that has been made of the United Nations. Bit by bit the anti-Christian program of one-world government is falling into place. Every bureau set up by this modern counterpart of the "Tower of Babel" brings us one step nearer to the inevitable fulfillment of this prophecy.

As of today, there are "sixteen" of these bu-

reaus, every one of which is designed to tie the nations of the world "together" — Christian to pagan, believer to atheist, democracy to totalitarianism, disciple to infidel — until no one can tell the good from the bad. This, of course, means that there will be no good come of such an alliance. Only that which is ultimate in evil can be the by-product of such a government. Here are the bureaus currently pointing in this fatal direction and paving the way for the takeover by a one-world government.

1. — International Atomic Energy Agency (I.A.E.A.). — The published aim of this agency is to promote peaceful use of atomic energy. The inevitable result will be to disseminate among foreign enemy nations vital information on American atomic resources.

2. — International Labor Organization (ILO). — The purpose of this arm of the one-world government is to coordinate labor demands throughout the world. It provides an ideal vehicle for dissemination of socialism and the promotion of the one world philosophy.

3. — Food and Agricultural Organization (FAO). — This organization is set up to standardize food qualities and levels of nutrition internationally. It is the model instrument for implementing an antichrist law in Revelation 13:17, that no man might buy or sell, except he receive the mark of the beast.

4. — International Bank for Reconstruction and Development (World Bank). — This international bureaucracy is designed to internationalize money standards. Ultimately, it will

place all the money power of the world in the hands of one giant agency. Already there is talk of issuing international currency under the direction of United Nations.

5. — International Development Association (IDA). — This one-world financing organization aims to set up international control of natural resources.

6. — United Nations Educational, Scientific, and Cultural Organization (UNESCO). — This agency is set up to promote collaboration among nations through education, science and culture. The ultimate aim is the complete integration, miscegenation and mongrelization of the races leveling all world religions to a common plateau, thus making paganism, Christianity and Communism bosom bedfellows.

7. World Health Organization (WHO). — To internationalize medicine, surgery, and all treatments of diseases. This serves a political advantage to the world dictator in that it provides a logical instrument for committing political opponents to hospitals for mentally ill thousands of miles from friends and supporters.

8. — International Finance Corporation (I.F.C.). — A plan to take over the "poorly developed" areas of the world. To bring the smaller nations of the world into subjection to a one-world government.

9. — International Monetary Fund (IMF). — To promote and expand international trade, to standardize commerce and industry, which will make it a very simple matter for the antichrist to issue his decree referred to before in Revelation 13:17, that "no man can buy or sell except he receive the mark of the beast".

10. — International Civil Aviation Organization (ICAO). — To standardize aviation laws, procedures, patterns and practices throughout the world.

11. — Universal Postal Union (UPU). — This agency is designed to promote uniformity of postal services and development of international collaboration. Openly to promote reciprocal exchange of mail. This is the first step toward the international control of communications and censorship.

12. — International Telecommunications Union (ITU). — To provide international regulations for radio, telegraph and telephone services, thereby making world-wide preaching of the Gospel of Jesus Christ by means of radio and television a practical impossibility.

13. — World Meteorological Association (WMA). — The aim of this agency is to standardize and coordinate all meteorological work—weather information and forecasts — of the world. Weather control and modification of climates is a sinister possibility.

14. — Intergovernmental Maritime Consultive Organization (IMCO). — To promote coordination of international shipping and to remove all discrimination by governments and all restrictive practices by shippers. Thus international transportation will be under the control of another giant bureau which can dictate who and what can and cannot be served.

15. — International Trade Organization (ITO).

— To tighten terms of commerce and to promote free flow of goods from one country to another under international agreement. Thus another step is taken to break down national boundaries and pave the way for Satan's emperor, the antichrist, to take control of the entire world.

16. — General Agreement on Tariffs and Trade (GATT). — The goal of this last-named Agency is the subject of current battles in the United States Congress, the fight to lower, or do away with, all tariffs on foreign imports, leveling national boundaries, destroying national loyalties, and setting the whole world up for allegiance to the beast from perdition.

Now, as far removed from religion as these commercial agencies may seem to be, they are every one a direct fulfillment of prophecy — particularly the prophecy which we have in the book of Revelation.

It is little wonder that for many, many years there has been almost a concerted effort on the part of apostate religious teachers, even so-called ministers, to steer people away from the reading of Revelation. If Christians had even a reading knowledge of this last book of the Bible they could easily detect the insidious movement of preparation in the world for the reign of antichrist, variously called by different inspired writers of God's Word as "The Man of Sin", "That Wicked One", "The Beast from the Bottomless Pit", but which we have come to recognize as Satan's emperor, the antichrist.

Now, ladies and gentlemen, I have given you a list of sixteen international agencies that have been set up under the control of the United Nations. As fantastic as these agencies may appear to be on the surface, not one of them is concocted or imagined by your speaker. Every one of them has already been organized and is ready for operation.

Believe me, this is just about as ready for antichrist to make his appearance as it could possibly be. Two thousand years ago John the Baptist came preaching, "Repent, for the Kingdom of Heaven is at hand". Six months later Jesus of Nazareth appeared on the scene preaching, "Repent, for the Kingdom of Heaven is at hand".

My message to you today is just as imperative, and it is just as clear with a slight variation. This is it: "Repent, for the Kingdom of HELL is at hand!"

And if anyone is of a mind to turn away from this message lightly or to reject it totally, remember an old adage which proclaims: "There is none so blind as one who will not see."

WILL IT BE IN 1973 ?

"The Communist plan for dominating the world sets final triumph during 1973", a noted authority on Communism recently stated. "The Communists jubilantly declare that they are considerably ahead of their timetable".

Therefore, on the year 1973 the communists expect to have you and your country in their power. Lenin said many years ago: "First we

will take China and then India... We will then be in a position to take the whole world".

The plan calls for seizure of the Middle East with the Arab nations and the vast oil supplies which Europe and the U.S.A. depend on so largely. They now boldly proclaim that soon they will have Indonesia in its power! thereafter India, Japan, and all of Asia and Africa.

Admiral Felix Stump, Commander in Chief of United Nations forces in the Far East, made this observation: "I think the Communists will win the world if we lose Asia". According to Admiral Stump, the Communists have murdered 20,000,000 Chinese in the last ten years. This brutality shows the price that Communism will pay to attain its ends.

In every country in the world this hideous enemy of Christianity and mankind is at work. Cleverly organized and internationally controlled, it represents a dagger at the back of all free people.

If Communism does in the future what it has done in the past, it seems that their dream of world conquest will be accomplished.

What, then, will you be able to do for the spread of the Gospel? How much good will accumulated wealth — stocks, bonds and bank accounts — be if this godless enemy takes control of our beloved country?

Christ commanded His children to, "Go into all the world and preach the Gospel to every creature teaching them..."

In vast areas of the world there is no other way to do it than through the printed page. Dr. Fred Schwarz says: "The Communists are deluging the world with books and directing them primarily to the minds of the young. Where the Christian missionary teaches to read, the Communist comes and provides the literature to be read. This literature is beautiful and unbelievably seductive".

One priority desperately urgent is the literature of Christendom and democracy be made available to the students of Asia, Africa, and South America: literature that tells the truth of God and His love, and about redemption through the Christ of Calvary. If the present conquest of the Asian student mind continues unabated, all the atom and hydrogen bombs in the arsenals of the world will be absolute and meaningless to halt the Communist advance".

THE BEAST'S WOUNDED HEAD HEALING

(Revelation 13:1-4)

A beast in Bible prophecy represents an earthly government. See Daniel 7:23. There are four beasts in this chapter representing the four earthly kingdoms that have ruled the world since Jerusalem was taken over by the Gentiles through the conquests of Nebuchadnezzar, king of Babylon.

These four beasts are all mentioned in Rev. 13th chapter reincarnated in this one beast with the same number of horns and heads of all of the four beasts of Daniel 7th chapter, and mention made here of all of these beasts. We also find in history that the territory of the world ruled by these four beasts was ruled over by Rome who also destroyed Jerusalem the second time.

Rome is here represented by this amalgamated beast of the four beasts of Daniel, and the Pope was the ruling head, but under the wars of Napoleon the Pope was banished the year 1798 on an island in the Mediterranean sea where he died. What is spoken of in history as the holy Roman empire was dismembered, and each portion ruled over by its own king, etc.

This beast, however, being thus wounded, is to be healed, and a "One World Government" formed again. The Dragon gives power back to this beast similar to what it had before. — See verse 4.

The Dragon is Communism. This dragon mentioned here is red. Russian Communism is known as the "Reds". In China their national broadcast is called "The Dragon". — Editor.

Sabbath Meeting At Jerusalem

Last Sabbath was a beautiful clear sun-shiny day, and as usual my wife Effie and I walked to the house of prayer a twenty-minute walk. Four brethren also walked from the publishing house. Upon arrival we found a number of the brethren there. Andy our son went after some with the car who live some distance from the church. The Bible study period began at 10.30 with Elder Harry Schlenker leading the song service and his daughter Shellan at the piano. Sister Fern Fauth and Percilla Fauth, the daughter of Gordon, each played an accordion.

Following a number of spiritual songs, and before going to prayer, Brother Schlenker asked for prayer requests. A number requested special prayer, and also about a dozen names were read by the Editor of those who had written in for prayer. A series of prayers were offered by the congregation audibly, one following the other. This was followed by the scriptural reading given in the lesson quarterly, Brother Schlenker reading the first verse and the congregation the second, on through the chapter.

Then memory verses were called for, followed by a song during which the children and young people passed to the rooms up stairs with their teachers. Sister Adolph Fauth, teacher of the young people, and Sister Harry Schlenker, the smaller children.

The Bible class was taught by Brother Adolph Fauth, as different brethren take turn about teaching the Bible class. Around one hour was spent in the Bible study period, followed by singing choruses and prayer. Then the Editor delivered the message, using Galatians 3:16 for his foundation text, showing how the promises were given through Abraham to all nations, and how all nations were thus blessed by Christ, who came through Abraham's seed. Then the last verses of this chapter were read showing that all Gentiles of every nation who accepted Christ and were baptized in His name were Abraham's seed, and heirs to Abraham, being adopted Israelites. His estate as given by the Almighty was read as found in Genesis 12:1 to 7, chapter 13:14, 15; also 15:18 and 17:7, 8. Also chapter 35:10 to 12, etc.

Then Matt. 5:5 was read where the promise is enlarged to the inheritance of the earth: "Blessed are the meek for they shall inherit the earth".

It was shown further how the Gentiles of every nation get into this great inheritance through Abraham by the grafting of Gentile branches CONTRARY TO NATURE into the tame olive tree, the Jewish tree. — Romans 11th chapter.

According to nature it was shown that a branch from a lemon tree grafted into an orange tree bears lemons on the orange tree and vice versa. But a lemon graft contrary to nature would bear oranges on the orange tree and its fruit would look just the same as the fruit of

the orange tree. Hence when Gentiles of all nations are baptised into Christ, becoming Abraham's seed, and grafted into the Jewish tree contrary to nature, as this scripture so plainly tells us, they are like the Jews and their religion is so different from the Gentiles there is a separation.

Then Exodus 31:15 to 17 was read, where it gives the sign of an Israelite, and this sign was to show who were Israel forever. It says the Sabbath is a sign between God and the children of Israel forever. This is why Gentiles who are grafted into the tame olive tree are called Judaizers by the ignorant Gentiles who do not know the true gospel as taught in the New Testament.

This also explains the statement of Christ in St. John 4:22, where he said: "Salvation is of the Jews". Also Romans 2:28 where we are told that heart circumcision which prepares both Jew and Gentile for eternal life, makes them Jews inwardly. That heart circumcision is keeping the commandments of God, through the power of the Holy Spirit. I Cor. 7:19.

Elder Harry Schlenker made a few remarks and led the closing song. Then the benediction prayer was given by Brother McClellen.

Remarks. — It will be of interest also to our readers to tell you about two large tall middle aged men who came from Tel Aviv to be at our Sabbath service. One of them had finished the Bible Correspondence Course in the Hebrew language and received his diploma. Then the book of Daniel and Revelation, also the Bible Home Instructor, both in Hebrew, were mailed to him. We were happy to learn that this Jewish man was giving Bible studies to different groups of Jews since receiving his diploma. He is one of around two thousand in Israel who have ordered the Bible Correspondence Course. Many have finished and received their diploma, and are teaching the lessons to others. Praise be to the Almighty for this good work.

The other man said he saw the Editor and Brother David Ohion in a dream a short time ago, and coming to our meeting recognized both of us. How wonderfully the Almighty is gathering His people together under the banner of Israel and Jerusalem (Psalms 50:5). Both of these men requested baptism. — Editor.

WORMS WORMS WORMS

Cartersville, Georgia April 1973.

Greetings to you all.

I just received my history of "The True Religion", and the Bible Home Instructor and I can't tell you in words how much I thank you and appreciate these wonderful books. I do not know if you have seen anyone who had worms crawling out of their skin. There is a woman here and I have known her and her husband a long time. I use to go to meetings with them. She has little worms crawling out of her skin. She just told me that the Doctor told her it was eating hog meat that caused it.

"Not long ago a man walked up to me and said: 'Hello Mr. Ingram, I have worms crawling out from under my skin, and the Doctor told me it was eating hog meat that caused it'. He is a Jehovah witness preacher. I told him if he believed in what Jehovah said he would not eat that filthy stuff." Elder J. S. Ingram.

Remarks: The hog was created for a scavenger, same as the buzzard and vulture. Strychnine will not kill a hog. They eat rattlesnakes poison and all, without harm. A canal runs down each leg and opens in the bottom of the foot. Please read Isaiah 66:15 to 17, and believe just what it says.

The Plagues Will Soon Fall

These worms from the hog are called Trichinea, and the U.S. Medical Association has warned people over the air, and through various publications to be sure and cook hog meat (pork) thoroughly to kill the worms and eggs. The eggs are so small, fifty in a bunch, cannot be seen without the aid of a magnifying glass.

It is proven that cooking does not kill all of them. People purchase cheese at their grocery cut on the same block and with the same knife they cut the hog meat and many have these worms, which settle and breed in some organ, and they die of this diseased organ.

Now, however, these worms are crawling out through the skin, and thus it seems very probable that the whole world is being prepared for the first one of the seven last plagues, the "Noisome and grievous sore". — Rev. 16.

Their flesh it seems is being prepared for this very thing. The whole world that keeps Sunday and thus worship, and follows the beast, eat the pig, and it is the people that "worship the Beast who will receive these plagues.

We are delivering ourselves from being guilty of the blood of the lost, by giving you this message. We pray for the Holy Spirit to accompany it in striking conviction to the heart of every transgressor in a definite way, causing them to obey the Almighty instead of their preacher. — Editor.

Some Misapplied Scripture

One of the texts is where the Master in speaking about washing and not washing of hands said: "Not that, that entereth into the mouth defileth the man, but that which proceedeth from the heart". Even drunkards misuse this

text, and many who take poison to commit suicide find in it an excuse.

It was spoken of concerning the coming Messiah that "He would magnify the law and make it honorable". Isa. 42:21. He did magnify it. He said: "He that looketh upon a woman to lust after her, hath committed adultery already in his heart". Adam and Eve had sinned even before they plucked the forbidden fruit. They were sinners when they had it in their hands before eating it. It was not the going into the mouth that defiled them but the defilement proceeded from the heart. It is just the same today."

In the 11th chapter of Leviticus it is very clearly given what kind of flesh was intended for food, and the kind that was unclean. There are, however, certain texts in the New Testament that people wrongly interpret, like the one mentioned above.

Another text which is taken for an excuse to eat the swine is found in Acts 10th chapter, where the apostle Peter was shown in vision a sheet let down from Heaven with all manner of four footed animals, and a voice said to him: "Arise Peter, kill and eat. What God hath cleansed call thou not common". It is claimed that the swine and all kinds of unclean creatures were cleansed, and can therefore be eaten as good food without danger to one's health. This is man's interpretation of the intention of the vision but in verse 28 we have the Spirit's interpretation. Peter says: "God hath SHOWN ME that I should call NO MAN (not the animals) common or unclean". So dear reader, let us believe what Peter says about it, and not some man's statement contrary to the Scripture.

Peter was undergoing a test as to whether he should go in among Gentiles or not as you will gather from reading the chapter. This was the way the Father chose to show him that all men were the same and the middle wall of partition between the Jews and the Gentiles had been broken down. Those led by the Spirit after knowing what it says in verse 28, will no longer misrepresent this lesson but will teach it as Peter tells us to teach it.

Another fact worth noting here is that this was eight years after Pentecost and Peter says, "I have never eaten anything common or unclean." Verse 14. Surely if the swine had been cleansed by the shed blood on Calvary, as many claim, Peter would have known it and would not have been abstaining from eating the unclean meats for these eight years.

Another text frequently used is found in I Timothy 4:3-5. It says the Spirit speaketh expressly that in the latter times some will forbid people to marry, and "command them to abstain from meats which God hath created to be received with thanksgiving. Every creature of God is good and nothing to be refused, if it be received with thanksgiving. For it is sanctified (or set apart), by the Word of God and prayer.

Many honestly believe that they sanctify swines flesh through prayer and make it clean. But notice just what it says here. It says it is sanctified (set apart) by the WORD of GOD. Now what meats are set apart by the Word of God and what meats were created to be received? In this text we have two positive statements that it is the meat CREATED TO BE RECEIVED, and the other is the meats SANCTIFIED BY THE WORD OF GOD. The word "sanctify," means to set apart for holy use. The unclean animals were never created to be

GOOD HEALTH DEPARTMENT

GOOD HEALTH DEPARTMENT FOOD

How often do my clients ask me concerning the food they should or should not eat whilst undergoing eyesight culture treatment! Before I have time to answer, how often do they add: "Now if you expect me to follow a strict diet, I just can't do it! Circumstances make it impossible". To remarks of this nature I usually reply: "There's no need to go to extremes, but we can all learn the elementary facts about food and then begin to make small changes for the better".

Extremes are all very well if individual experiments are undertaken, but to apply them generally, ad lib and without regard to varying personal differences and circumstances can lead to disappointment and can even be dangerous. Far better is it to be moderate and sympathetic in counsel. Take eyesight by way of example. It is an audacious thing to say that whatever the condition, glasses are unnecessary! It is equally audacious to say that in all forms of eyestrain glasses should be worn.

An Octogenarian's Renewal

I must, however, speak of an octogenarian (a man over 80) friend who tells me that at the age of 75 he was heading for a complete breakdown. It was then that he was advised by an osteopath to try eating nothing but salads, with grated cheese or nuts and olives. This he accordingly did during the space of three years. His salads naturally varied according to the season and he made use of roots after shredding them. There were such things as lettuce, cress, onion, endive, parsnip, parsley, carrot, cucumber, beetroot, cheese, nuts, olive oil, lemon juice, all nicely prepared and proportioned. The effects were startling.

His mysterious internal pains just disappeared. The faculties of hearing, smelling and seeing were sharpened, whilst his limbs became supple enough for him to run up hills whereas formerly he could only walk up panting for breath. Added to this he was able to turn up large portions of garden soil with the ease and strength of youth. Even his hair grew on places once bald!

This, be it noted, was the outcome of a balanced raw food regime requiring adequate mastication. Once more it goes to show that the flesh of meat, fish and fowl, is not necessary for the human body.

Frederick Lardent — England

The following is a reprinting from the November "Reporter". Suggested for the benefit of our readers, as it is only one of many similar cures by this diet.

Here is another case.

The patient came for general care, the doctors having sent him home to die. Instructions

to his family were simply to keep him clean, and from hurting himself. If allowed, he would walk at random. His arms and legs moved continually; if offered food, he would turn his head and clench his teeth. He gave no sign of recognizing his wife and daughter. Age 73; weight 90 pounds; tongue bright red as in malnutrition. Restrainers were necessary on hands and feet when in bed.

"Why, you poor little old man", I thought, "I am going to see what I can do for you!" I really made a "concoction". Into the liquidizer went warm water, powdered alfalfa, water cress, parsley, black strap molasses, wheat germ and powdered soya milk; and the mixture was whipped up to make a pint. During the first week, this formula was fed twice daily through a stomach feeding tube. The first three days of the second week, various fruit juices alternated with water were administered through the nasal tube. During the remainder of his second week, the former feeding plans were resumed.

After this second week, the patient would eat and drink with a bit of coaxing, without the tubes. After the third week, recognition was restored and he knew his wife and daughter. The daughter wept in her joy, saying: "Oh, Daddy, we thought we would never see you like this again".

Throughout the fourth week, no urging was necessary to induce him to take food and drink. He would eat anything that was set before him. At the end of the fourth week, his family took him home. They followed the suggestions given, and the old gentleman gained thirty pounds in four months".

Remarks. — It is clearly evident that the stricken condition of this elderly man was due to a lack of certain foods. His body was starved. That is portions of it. Without any food death would have been the result, but he had been living according to what he liked to eat, as nearly everybody else does in these days where they sit, as it were, at a king's table. All manner of foods at their disposal, and daily tempted by the most tasty kinds. He had been a victim of this.

He would not have put into his stomach Alfalfa tea, raw wheat germ or water cress and parsley, soya milk etc. White bread robbed his body of wheat germ, which is removed and fed to the pigs and cows; for flour will breed worms if it is left in.

This food, however, was put into his stomach through a tube, and it did the work.

It would not have gotten there by his choice of taste or his warped appetite for proper foods his body required. How true this is of many people today, with ill trained habits and taste for proper foods.

To be healthy people need to receive into their stomachs such foods as are mentioned

Our Bodies Are The Temples For The Holy Spirit

4th Month (July) 1973.

"For many walk, of whom I have told you often, and now tell you even weeping, that they are the enemies of the cross of Christ. Whose God is their belly, and whose glory is in their shame, who mind earthly things". — Phil. 3: 18-19.

"Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" — Rom. 6:16.

"I wrote unto you in an epistle not to company with fornicators: Yet not altogether with the fornicators of this world, or with the covetous, or extortioners, or with idolaters; for then must ye needs go out of the world. But now I have written unto you not to keep company, if any man that is called a brother be a fornicator or covetous, or and idolater, or a railer, or a drunkard, or an extortioner; with such one no not to eat". — I Cor. 5:9-11.

Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God" — 1 Cor. 6:9-10. Ye blind guides, which strain at a gnat and swallow a camel. Woe unto you, scribes and Pharisees, hypocrites! For ye make clean the outside of the cup and plater, but within they are full of extortion and excess. — Math. 23: 24-25.

Better is the sight of the eyes than the wandering of the desire: this is also vanity and vexation of spirit. — Eccles. 6:9.

"...eat in due season, for strength, and not for drunkenness". — Eccles. 10:17.

Now these scriptures will be clear to those of you who have ears to hear although not perfectly clear because of the hardness — to whatever varying degree — of your heart. But not many understand the importance of cleansing their temple so that the Holy Spirit will come in and abide. Also there are many who have in times past received the Spirit, but then have returned to their old lusts, then grieving Him and separating themselves from the power or gifts which He gave them.

Now some will say: "...the gifts and calling of God are without repentance." (Rom. 11:29).

This is true but let us not forget the man in the parable that... "was afraid, and went and hid the talent in the earth." — Matt. 25:25. 25:25.

Be not ignorant of the meaning here. Our temples or bodies are likened unto the earth since from dust they are made and will return.

But there are very few in this world who have ever received the Holy Spirit, and speak especially to you who live in wealthy nations. This is because it is very difficult for a person to bear

fruit among thorns.

Let's take a look at what the Master has to say in reference to our bodies and the Holy Spirit and fasting.

"Then came to Him the disciples of John, saying: "Why do we and the Pharisees fast oft, but thy disciples fast not?"

And Jesus said unto them: "Can the children of the bridechamber mourn, as long as the bridegroom is with them? But the days will come, when the bridegroom shall be taken from them, and then shall they fast. No man putteth a piece of new cloth onto an old garment, for that which is put in to fill it up taketh from the garment, and the rent is made worse. Neither do men put new wine into old bottles: else the bottles break and the wine runneth out, and the bottles perish; but they put new wine into new bottles, and both are preserved". — Math. 9:14-17.

When Jesus speaks of the new wine and the new cloth here He means the Holy Spirit, and when He speaks of the old garments and the old bottles He means our bodies — the temple of the Holy Spirit. Now if we accept the words of Jesus simply as His children will, we will understand that, from the day that Jesus ascended into heaven from the Mount of Olives until the day the Holy Spirit came, the "children of the bridegroom" are supposed to have been fasting. We know that from the Passover to Pentecost is fifty days according to Jewish law. Three days of this Jesus was in the sepulchre. For forty days after He showed Himself to many people. — Acts 1:3.

This leaves seven days between His ascension and the day of Pentecost.

This does not mean that everyone who fasts seven days will receive power from the Holy Spirit. There are many of us who even after seven days fast would be full of excess. If for some of you complete fasting is too difficult don't be discouraged. You can gradually slim down by just eating only when you are really hungry, and even then be very careful to eat slowly until your hunger is somewhat satisfied, and not your lust for satisfying taste. No one can tell you just how long you must continue to fast in order to cleanse your body of rotted over surplus food. Fasting is eating nothing and only drinking water. Some begin to feel a little weak, and slightly dizzy, etc. after one or two days, but this will leave the average person by the third day. The third day your body begins consuming itself taking away and using properly the surplus flesh and fat. You will not feel hungry any more to even possibly thirty or forty days, depending on your size, and how much surplus flesh, fat, and muscle you have, but your body will be fed perfectly for the period of your fast, and rotten surplus food disposed of and your body cleansed.

Notice that in Matt. 4:2 it says of Yahshua

INDEPENDENCE AT LAST

"Let Us Give Praise to God"

Dr. Weizmann was weeping when, on February 14, 1949, he opened the Constituent Assembly of the State of Israel, the Knesset Israel, and said:

"Let us give thanks and praise to the God of Israel Who, in His mercy, granted us the privilege of witnessing the redemption of our people after centuries of affliction and suffering..."

Ages-old prophecies from Israel's own Book, the Bible, were being fulfilled. Israel the People lived again in Israel the Land.

In the Exhibition Hall of the Art Museum in Tel Aviv, on a dais under a picture of Theodor Herzl and the blue and white flag of Israel, sixty-one years old David Ben-Gurion sat with twelve colleagues. At exactly 4 o'clock on that never-to-be-forgotten afternoon, he called the meeting to order. All rose to sing "Hatikvah", Israel's National Anthem. Then Mr. Ben-Gurion read the Declaration of Independence.

"It spoke of 'The Land of Israel' as the place where Israel was born... as the place where it had written the Bible and from which it had given it to the world.

It spoke of exile and dispersion, of faithfulness in prayer, and of desire to return to the land of their fathers and attain statehood.

"It spoke of Herzl's vision of a Jewish State, of the first Zionist Congress, of the Balfour Declaration, of the heroic sacrifices of the Jewish people, the Mandate, and the resolution of the United Nations General Assembly calling upon the inhabitants of Palestine to take steps to establish an independent State..."

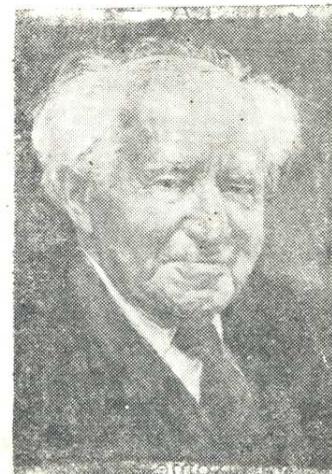

It concluded: "Accordingly we, the members of the National Council representing the Jewish people in Palestine and the Zionist movement of the world, met together in solemn assembly today, the day of termination of the British Mandate for Palestine, by virtue of the natural and historic right of the Jewish people and of the resolution of the General Assembly of the United Nations, hereby proclaim the establishment of the Jewish State in Palestine, to be called ISRAEL".

At 4.38 p.m. Mr. Ben-Gurion said: "I hereby declare this meeting adjourned. Our State has been established".

Three days later Dr. Chaim Weizmann, whose scientific discovery had perhaps given the Allies victory in the First World War and had set in motion events that led to the rebirth of the Nation of Israel, received the news that he had been elected the first President. - Jerusalem Post

DAVID BEN-GURION

One of the most influential Zionist political leaders and first Prime Minister and Minister of Defense of the State of Israel, which was created in no small measure through his determination. Born in 1886 in Poland, he went to Israel at the age of twenty, where he worked as a laborer in the orange groves. He became active in political affairs, and in later life rose to the

David Ben-Gurion

highest position of leadership in the Labor Zionist Movement, both in Israel and abroad. Because of his political activities he was expelled by the Turkish Government from Palestine and went to the United States, where he helped organize the Jewish Legion, in which he served during World War I until the occupation of Palestine by the British. After the war he worked in London for the "Poale Zion" (Labor Zionist) movement, and in 1933 he became a member of the executive committee of the World Zionist Organization and chairman of the Executive of the Jewish Agency for Palestine. Following the decision of the United Nations in 1947 to partition Palestine between the Arabs and the Jews, Ben-Gurion and his associates drafted the Declaration of Independence of the Jewish State, and during the invasion of the Arab countries he led the War of Liberation both as Prime Minister and Minister of Defense of the Provisional Government of Israel. For a short time he gave up governmental functions and settled in one of the settlements of the Negev (southern desert area), thus serving as an inspiration and example for younger people to settle on and cultivate the desert land of the Jewish State.

In 1955 he was again called to head the Government of Israel. In 1959 his party (Mapai) won the fourth parliamentary election held in the history of the State, and he organized a new coalition government.

In addition to his political activities Ben-Gurion was continuously active as a journalist. He won his extensive general education not so much through formal schooling as through self-discipline and his great thirst for knowledge. He is considered one of the most scholarly heads of state in human history. — From the Jewish Encyclopedia

ARK. — Dear Bro. Dugger:

For five and one half years I have had surgery for cancer. So many times I have lost count, but as with Job the Lord never left me.

There is no anesthetic that put me to sleep so deep, but what I could feel the presence of the Lord, but the wounds would not heal. We tried unprocessed honey, and they all healed beautifully. No infection. Now our medical center stocks and uses unprocessed honey on wounds. We are unable to find any books on healing wounds with honey, so we can get them to using it in other hospitals. Can you help us?

I thank God daily that I am now able to help others.

Yours in Christ,

Mrs. Clint F. Reynolds

NEWS DIRECT FROM ISRAEL

TUNISIA'S JEWS

The Jewish community of Tunisia has dwindled rapidly in recent years. After World War II there were over 70,000; today there is less than a tenth; of that number (although it is now, after Morocco, the second-largest community in North Africa). The intensification of the programme of Arabization and Tunisification led to uneasiness and the exodus of Jews became especially extensive after the Six Day War. The Jews who are left tend to congregate in Tunis and many of the outlying communities have disappeared.

According to a report by Sidney Du Broff in "Congress Bi-Weekly" (published by the American Jewish Congress), the Jews remaining there live in a state of apprehension and fear caused "by incidents of today and the uncertainty of tomorrow."

The country, although Western in outlook and comparatively liberal, is squeezed between Algeria and Libya. Bourguiba is deeply respected and has prevented the outbreak of anti-Jewish violence.

But Bourguiba is elderly and ailing and the question is — what will happen when he goes? The very independence of the country is shaky, especially in view of the ambitions of his neighbours. The atmosphere is permeated with Arab nationalism and the Jews, even the native-born, are a potential target for nationalism and frustration.

U.K. TO SELL SAUDIS AIR DEFENCE SYSTEM

LONDON. — Britain has won a £250 million contract to supply Saudi Arabia with the ground facilities for an ultra modern air force.

The deal was finalized during the recent visit to the Arabian peninsula by British Defence Secretary Lord Carrington. It is expected that the official announcement of the contract will be announced in Parliament during a defence debate.

This, the largest export order ever won by Britain, has been awarded to the British Aircraft Corporation (BAC), the manufacturers of the Jaguar fighter jet.

TRAINING COURSES FOR IMMIGRANTS

Approximately 200 immigrants — most of them from the Soviet Union — have recently begun vocational training and re-training courses arranged by the Absorption Ministry in conjunction with other Ministries and organizations.

In Tel Aviv, 30 newcomers are studying banking, in classes sponsored by the Labour Ministry and the Clerical Workers Union. Another 30 are studying computer programming at a Zahal training centre in Beit Dagan.

In Netanya, 20 immigrant lawyers are now completing a Justice Ministry course qualifying

them as land registrars, and 30 more are studying to be aeronautical technicians, at Israel Aviation Industries.

SARCOPHAGUS FOUND DATING TO TALMUD ERA

SAFAD. — A sarcophagus dating to the Talmud period was discovered recently at Gush Halav by a local resident digging foundations for a new house near the site of an ancient synagogue. The stone coffin is inside a mausoleum-like structure, indicating that the person buried there was either rich or eminent. It lies in a north-south direction, facing Jerusalem.

The district inspector of the Government Antiquities Departments, Mr. Netan'el Tfilinsky, has halted work at the site pending removal of the sarcophagus.

NUCLEAR SCIENTISTS UNVEIL TOP-FLIGHT ISOTOPE SEPARATOR

NAHAL SOREK. — The Sorek Nuclear Research Centre here turned on "Meira", its new high-current device for separating stable isotopes.

The separator will put Israel on the highest international level in separation of isotopes for nuclear research, according to the head of the Sorek Centre's Isotopes Separation Department, Dr. Yitzhak Chavet.

Described as one of the most sophisticated of its kind in the world, the separator was conceived in 1967 by Professor Israel Dostrovsky, former head of the Israel Atomic Energy Commission.

HOUR'S STOPPAGE

Iraq declared last night it would stop the flow of oil to Western oil companies for one hour today, according to the Middle East news agency.

The agency said Algeria, Kuwait and Libya would also join the "symbolic boycott" in protest against U.S. support of Israel.

PROSTITUTES DETAINED IN TEL AVIV POLICE SWOOP

TEL AVIV. — Police last night arrested 25 women aged 17-25 on suspicion of loitering for purposes of prostitution. The arrests were carried out by the Tel Aviv District special vice and hooliganism squad, which visited the women's haunts on the Ramat Aviv road, Rehov Hayarkon and Rehov Levanda.

WAR CRIMES: U.S. WOMAN TO BE EXTRADITED

New YORK. — A U.S. judge ruled that Mrs. Hermine Braunsteiner Ryan, a 53-year-old New York City housewife, should be turned over to West Germany for trial as a war criminal for her actions as a Nazi concentration

camp guard during World War II.

However, Brooklyn Federal Court judge Jacob Mishler stayed the extradition of Mrs. Ryan until May 4 to allow her attorneys to try to overturn the decision.

SPCA CAN COLLAR ANIMAL-ABUSERS

TEL AVIV. — An inspector of the Society for the Prevention of Cruelty to Animals has been authorized by the Minister of Justice to arrest any person caught maltreating an animal. The authorization comes under a 1936 Mandatory law still on the books, but until now rarely enforced.

Hilda Friedstein, secretary of the Tel Aviv branch of the SPCA, told "Itim" that the inspector's job will be to patrol the Dan region and keep a watchful eye out for cruelty to animals. He is also empowered to remove maltreated animals to the SPCA shelter for treatment.

WORLD PRESS HONOURS ISRAEL

Major daily newspapers in the U.S., England, France and West Germany lauded Israel on her 25th anniversary and voiced awareness of her sacrifices.

The "New York Times" saluted Israel as a nation, saying the country's silver anniversary was an awesome achievement in the face of the forces arrayed against it.

The "Times" said: "A nation of despairing refugees has become a society of proud citizens of their ancient land. The problems that pressed upon earlier generations have been solved by nationhood: this solution of nationhood is what poses the problems for generations to come".

In a special article, Britain's largest daily, the "Daily Mirror", said: "Against all odds, the people of the biggest little state in the world have survived".

"To do so they have defied hate, ignorance, treachery — sometimes even logic — and the only certainty in the uncertain Middle East is that Israel is there to stay", the "Mirror" added.

"The Times" of London said no other country in the world had changed so much in 25 years.

The newspaper said Israel could count only on itself to safeguard its future and could only hand over territory in exchange for formal recognition of its right to life.

Defending the Government's decision to hold a military parade in Jerusalem to mark the anniversary, "L'Aurore" commented: "Some people will speak of provocation. But from this parade there ought to spring the peaceful strength which inspires those who believe in their destiny".

AMERICAN YOUTH WIN BIBLE QUIZ

Three American youngsters walked off with the first three prizes in yesterday's annual Independence Day World Bible Quiz for Jewish

Youth, held at Jerusalem's Beit Ha'am.

They were 16-year-old Liora Reich, a student at Flatbush Yeshiva in Brooklyn, New York; David Leeman, 17, of Rambam Yeshiva, Boston; and Rachel Mazliah, 15, of Philadelphia. Liora amassed 44 out of a possible 46 points, David 41½ and Rachel 39½.

Thirty-three contestants from 18 countries took part in the quiz.

This was the first time ever that a girl won the contest, and also the first time all three first places were taken by non-Israelis.

Consoling the Israeli participants, who had to be satisfied with fourth and fifth places, Deputy Prime Minister Yigal Allon said the real winner of the contest was "the People of the Bible".

Each of the first five winners received a IL1,000 scholarship prize.

Heading the presidium of the quiz was David Ben-Gurion, who quoted several verses from the Bible in lieu of making a speech. Interior Minister Yosef Burg was chairman of the judges' panel.

25TH ISRAEL ANNIVERSARY PARADE

Among the most striking elements in yesterday's military parade was the vast improvement displayed in the country's artillery since the Six Day War. These changes made in the fully mechanized forces — reputed to possess some of the most modern cannons in the world, were Israeli inspired, designed and executed.

The army's real capability, however, was demonstrated in the fact that though there were nearly 450 warplanes, 400 vehicles and 2,000 troops in the parade, there was not a single incident along the country's borders, nor was there any sabotage attempt in Jerusalem, the rest of Israel or the administered territories.

As always it was the flypast which captivated the crowds. Nearly 450 airplanes in perfect formation were led over the Capital by O.C. Air Forces Aluf Mordechai Hod flying a lone Phantom behind five Fouga Magisters trailing blue and white smoke, and three Bell 505 helicopters towing the National, the I.D.F. and the Air Force flags.

Directly behind Aluf Hod, forming an arrow-head, were half-a-dozen Skyhawks. They were followed by six more arrow-heads of 19 Skyhawks each and 20 Super Myteries — Israel's first supersonic aircraft brought over from France in 1954. Behind them came five formations with 18 Phantom F-4 fighter-bombers in each — and two formations of 12 Mirage III interceptors each, forming Magen David's.

FOOD-FOR-PEACE

NEW YORK (INA). — More than 4.7 million lbs. of U.S.-donated food-for-peace supplies were distributed by the Joint Distribution Committee during 1972, it was reported last week by Samuel Haber, J.D.C. Executive Vice-Chairman.

Most of the supplies, over 4 million lbs. of

flour, went to Israel, Mr. Haber said. The flour was sent to old-age homes and other institutions supported by the J.D.C. in Israel. Over 600,000 lbs. of supplies went to Morocco and 43,500 lbs. to Tunisia. These included dry milk, corn meal, flour, oil and wheat.

The foodstuffs had a wholesale value of \$221,000 and helped feed a monthly average of 29,500 aged and needy Jews in the three countries.

U.S. WHEAT TO JORDAN

56,000 IMMIGRANTS IN 1972

The number of immigrants in 1972 was over 56,000 compared to 42,000 in 1971.

Immigration from Argentina rose from 2,100 in 1971 to 2,600 in 1972; and 500 Uruguayan Jews arrived in 1972 compared to 400 in 1971.

250,000 CITRUS CASES EXPORTED TO JAPAN

ASHDOD. — Israel exported 250,000 cases of citrus to Japan in the past winter, the Citrus Marketing Board announced.

The Board's export manager, Dan Talbi, said the shipments were favourably received, and the Board hopes to double the volume in the next season. The last shipment of 40,000 crates of grapefruit, delayed because the refrigerated freighter scheduled to carry it went aground at Reunion Island, off the East African Coast, will be sent out next week from Eilat, he said.

"WAR IS IMMINENT", SADAT TELLS WEST BANK GROUP

10,000 SOVIET IMMIGRANTS IN 4 MONTHS

More than 10,000 Soviet immigrants arrived in Israel in the first four months of the year, according to Moshe Rivlin, Director-General of the Jewish Agency.

Mr. Rivlin told an audience at Beit Mehaned in Jerusalem that substantial increases are expected this year in immigration from Argentina and Uruguay.

Reuter report from Washington:

The U.S. Senate Foreign Relations Committee yesterday approved an amendment to provide additional aid for resettling Soviet Jews in Israel.

The amendment was added to budget bills for the State Department, U.S. Information Agency and Peace Corps.

The committee approved \$36,500,000 (IL 14.60 m.) to help Israel resettle the estimated 30,000 Russian emigrants this year. The Administration did not request any funds for this purpose, but last year Congress approved \$50 m. as part of the refugee resettlement programme.

ISRAEL BOUGHT \$1,000 M. U.S. ARMS

WASHINGTON (UPI). — Declassified Defense Department figures on U.S. weapons sales to nations in the Middle East show that Israel has bought almost \$1,000 m. worth and over three times more than the Arab states since the 1967 war.

The information was contained in an annual Pentagon report on military aid weapons sales during the period from July 1, 1967 to June 30, 1972.

FLYING SAUCERS

Dozens of calls Monday night to the Meteorological Service by people claiming to have seen unidentified flying objects.

The weather office said people had described the sighting as looking like "half the size of the moon" and "lemon-shaped".

In Lydda, Aharon Tuito said he was at the municipal library Monday night when he saw seven glittering objects moving from west to east in the clear sky. Other local residents added that one of the unidentified objects was brighter than the others and appeared to be moving backward and forward in its course.

The spectacle lasted about 90 seconds, they said, during which time the other six UFOs lined up behind the brightest one.

GOOSE EXPORTS INCREASE

TEL AVIV. — The geese may not be laying "golden eggs" but goose breeders here are doing well. Last year they exported 133 tons of goose liver worth \$2 m., 300 tons of goose meat worth \$30,000, 70 tons of goose fat worth \$25,000 and 25 tons of goose feathers worth \$87,000.

David Gersten, director of the Egg and Pou-

try Board, said that by 1980 Israel would be exporting about 400 tons of goose liver. Mr. Gersten said that at present a main drawback of this 16-year-old export industry is that 90 per cent of exports are going only to one country, France.

Today 600 families (including about 50 Arab families mainly from Baka el Grabiya and Ara-ra) are now raising geese.

According to the Boar's figures, Israel leads the world in goose farming achievements. In addition, about 75 per cent of the liver produce is of "A" grade, compared to the 40 per cent of other producing countries. The average goose liver in Israel weighs about 600 grams, while elsewhere it is 400.

HEBREW UNIVERSITY GREETES 4,000 OVERSEAS STUDENTS

The Hebrew University teaches more foreign students than any other university in the world, Prof. Yehoshua Arieli, Provost of the School for Overseas Students, said yesterday. BANK LEUMI STAFF TO HELP IMMIGRANTS

Some 200 members of the staff of Bank Leumi have volunteered to join a scheme to help new immigrants. They met at Beit Sokolov last week, with Esther Herlitz, head of the national Voluntary Service Association, and Uzi Narkiss, Director of the Jewish Agency Immigration and Absorption Department.

The idea for the new service was initiated by Bank employees working in branches close to Absorption Centres — some 50 branches in all. They are in daily touch with immigrants and have become well aware of the many problems they face.

PICTURES FOR PRINTING

We receive hundreds of pictures to print in our publications, and it is very costly to get the engraving made for printing them. Therefore it is impossible to use only a small per cent, even of those accompanying reports from our ministers over the world. We try to use, at least, one that accompanies the report.

We have a good many, however, that have been detached from the letter or report, and no name on them or country where they are from and we cannot use them.

BE SURE TO WRITE YOUR NAME AND ADDRESS ON THE PICTURE WHEN SENDING IT. — Editor.

DEW DROPS

And the DESOLATE LAND shall be tilled, whereas it lay desolate in the sight of all that passed by. And they shall say: THIS LAND THAT WAS DESOLATE IS BECOME LIKE THE GARDEN OF EDEN; and the WASTE and DESOLATE and RUINED CITIES are become FENCED, and are INHABITED". — Ezekiel 36:33-35.

DEW DROPS

So will I make MY HOLY NAME KNOWN IN THE MIDST OF MY PEOPLE ISRAEL; and I will not let them pollute MY HOLY NAME any more: and the heathen shall know that I am the Lord, the Holy One in Israel. Behold IT IS COME, AND IT IS THE DAY whereof I HAVE SPOKEN". — Ezekiel 39:6-8.

WORMS AND THE PIG

received for food neither are they sanctified (set apart) by the Word, for food. In the previous scriptures given in Leviticus 11th ch., it is very easy to learn the meats that were set apart by the Word of God for food, and those created to be received. Let us not wrongly interpret these scriptures.

"And the swine, though he divide the hoof, and be clovenfooted, yet he cheweth not the cud; he is unclean to you." Leviticus 11:7.

My father raised hogs. They were in a pen which got very muddy during a spell of rainy weather, and all of them got down in their backs, and would just sit around and drag their hind parts. My father sent for an animal doctor. I was just a boy, but remember it very distinctly.

The doctor laughed and said he would cure them in a few minutes. He had the men catch them. They were big hogs. They threw them over on their sides, and held them fast. The doctor took a prodding fork, and dug out the mud on the bottom of their feet, opening up this canal. The gray puss just squirted out in a stream. The hogs were all right in a few hours. When people eat the ham and shoulders they eat this puss. Their kidneys and liver become overcharged with poison which goes into their bodies.

The prophet Isaiah said that all people who ate the swine (the hog) would be destroyed, in the end time judgment. Read these scriptures and believe them. Isaiah 66:15 to 17. - Editor.

PRAYER REQUEST FROM BELGIUM

I went to see a Jewish lady in Antwerp, Belgium. She is the leader of 400 Jewish crippled men of world War II. These men are crippled in many ways as they were used as guinea pigs in German concentration camps. She is also a cripple and lives in a steel cast up to her neck, but walks around very good.

Recently, however, she had a serious infection of her lower limbs, and one leg had turned black. I called out a fast for her healing. The doctors were going to amputate that limb, but on the very day of prayer the leg turned white, and it was saved. — Elder F. C. Ardean.

Elder Ardean, Overseer of our work in Belgium and surrounding countries, states as follows: "I wrote to her that I was going to call out a general fast, a worldwide fast for her complete healing, so I would appreciate it if a general call would go out in "The Reporter" for a worldwide fast and prayer day for the complete healing of Miss Martha Rijnenmans of Belgium". The day set is July 28th, so our readers will have this paper in time to join in on this prayer. — Editor.

MAKING YOUR WILL

Our beloved Messiah has many true disciples today, whom the heavenly Father has blessed with an accumulation of property and wealth of earthly material; the greater portion of this should go back to Him when they are called away. It can be used here in giving out the gospel of salvation, and in this way their lives, or their work on earth for the Father will go right on.

Even if this is a late hour, we are commanded to occupy till he comes. Luke 19: 12 to 13. If He should come before your property is thus put to work, or even before you are called away, you will be rewarded for this act of faithful stewardship.

Make your will to "The Mount Zion Reporter", to be used in the gospel work, Jerusalem, Israel. This should be done properly before an attorney.
